Dear church family,

I cannot adequately express my thanks, love, and deep gratitude for all the support, love, and especially the prayers for all of us during Keith's three year journey! It was a very difficult time for all of us but you all were always there...praying, calling, texting,

visiting, sending cards, bringing food and flowers, and holding us together!

I have missed being "in church" and being with all of you! Thank you Kim and Michael for making it possible to be with you virtually!

With deepest gratitude and love,
Marsha Cornell
